

Dear Amplify Families,

Thank you all for your support. We love Joplin, this community, and we love the kids we get to work with more than we can express. We realize there is a lot of uncertainty during this time and we want to help alleviate some of that by getting information out about Amplify as soon as we have it. (This letter is long, so we bolded and underlined the main points... your welcome)

**Closed in April:**

**We are anticipating being closed through at least the month of April** (our session 4 which runs to May 3<sup>rd</sup>). **Our clients will not be charged tuition for April (Session 4) or any future session until we reopen.** You **do not need to unenroll** or do anything to your account at this point. In order to comply with current CDC and Missouri guidelines we cannot run regular classes as we would have more than 10 people in the building at one time. In addition, we feel a social responsibility to protect the kids and families we care for so deeply. Not to mention it would be impossible to practice social distancing with our regular schedule... if you have been in the gym on a Tuesday or Thursday night you know what we mean :). That said, we are creating online content for all our athletes!

**Online workouts:**

**We are creating Facebook groups** for each of our class types and will be posting workouts with videos to help your athletes stay active during this time. These workouts are available to all athletes, not just those enrolled at Amplify! If you don't have Facebook we will also be posting the videos and workouts online on our website [www.amplifygymnastics.com](http://www.amplifygymnastics.com). We want all our athletes to be able to stay active and have fun during this crazy time. The cool thing about these Facebook groups is they will be interactive! Athletes can post videos of themselves doing the workouts and skills, and even get some corrections from coaches! We will be providing all this content free of charge. However, we do need your help.

**Please support us through this:**

This is a very uncertain time for our industry. If this situation continues into the summer, it will be very hard for us to keep serving the community we love without any income. We do not want to permanently close our doors, but that could become a reality if this continues. **With that in mind we are asking Amplify Supporters to donate as they feel they are able.** We understand it is a hard time economically for many of our athlete's families as well, which is why we are happy to offer these workouts, with or without a donation. We love you all!

- Amplify

**To donate:**

**If you have an account and billing set up with us:** Email [frontdesk@amplifygymnastics.com](mailto:frontdesk@amplifygymnastics.com) with your name, your athletes name, and the amount you would like to donate and we will process it for you.

**If you do not have billing set up with us:** Visit our go fund me page at <https://www.gofundme.com/f/support-amplify-gymnastics>
